Official Dress Code

Below is our school uniform policy complete with photos and explanations to assist parents in purchasing school approved uniforms. You may now purchase from more than one school uniform company to provide options for different body types. The administration reserves the right to determine if any article of clothing is inappropriate for school wear if the item is too small, too tight or too short for example. In this case, parents will be contacted to bring a change of clothing for the student or they will have to purchase an appropriate item from our school store.
