

WELCOME TO ADMISSIONS

At Fayetteville Christian School, we understand the importance and significance of selecting the right school for your children. We pray that as you seek God's direction concerning their education, that you would hear Him clearly and that He would grant you wisdom and discernment in the decision making process. Our mission at Fayetteville Christian School is to "train students to think, live and lead as Christians based upon a Biblical worldview." So, whether you are new to the area and trying to decide on a school for your pre-k through 12th grade student, or a local family trying to find solid, Christian education, that compliments your family's home life, we are here to help!

Can I Afford It: We are well aware that many who WANT to choose Christian Education believe they cannot afford to do so. All our families carefully and prayerfully consider how to include FCS in their budgets. Many have to make sacrifices to stretch their incomes to accommodate even reasonable tuition fees. But, they have decided that as public education continues to decline — both in academic achievement and moral standards — an investment in Christian Education is truly an investment in their child, his or her impact on the world, and ultimately in God's Kingdom. **Our tuition rates are competitive with other schools in the area.** In some cases, financial assistance or work study is available. [\(tuition rates link here\)](#)

Admissions Criteria: The student and at least one parent with whom the student resides must have a profession of faith in Jesus Christ and regularly fellowship in a local faith based church. The student must have at least a C average and be in good standing at his/her previous school. (Children must be 4 years old by September 30th to enter Pre-K or 5 by September 30th to enter Kindergarten.)

Admission Procedure: First of all, the application is online, just click on the Admissions tab and choose Enrollment Application to get started. Secondly, as a new family you will be asked to submit additional documents directly to the Admissions office. The following items are needed to complete your Admissions packet: birth certificate, shot records, current and previous year report cards, most recent End of Grade test scores, confidential student evaluation [\(link to form\)](#), and a pastor reference form [\(link to form\)](#). Third, students entering into our PK4, K, and 1st grades are assessed to determine readiness. Parents will be contacted by the Admissions office with available appointment times. Finally, a family interview with the head of school is scheduled and upon acceptance to FCS, parents are asked to enroll with FACTS tuition management.

Thank you again for your interest in Fayetteville Christian School. We look forward to working with you.
