

Enrollment Letter 2008 - 2009

January 5, 2008

Dear Prospective Families,

Fayetteville Christian School welcomes the opportunity to serve your family. We are always excited to share what great things the Lord has done and continues to do. Our mission at FCS is to "train students to think, live and lead as Christians based upon a Biblical worldview."

FCS is an independent Christian school that serves students who come from over 80 area churches. For this reason, we strive to focus on the basic Bible truths that unite Christians. We are sensitive to avoid issues that divide the body of Christ. Our goal is to help students gain a deeper relationship with their Savior and to grow in the understanding of their worth in Him.

The Gospel of Luke says, "When a child is fully grown he will be like his teacher." For this reason our teachers are both dedicated professionals and committed Christians who love the Lord and are committed to helping students grow both academically and spiritually. They understand the special needs of our students at every stage of their development. Our teachers feel a calling to serve God in our school and are committed to a continuing quest for excellence in every aspect of the school.

Academically, we strive for excellence and offer a rigorous course of study. Our students have been accepted to some of the most prestigious universities in the country and are offered an array of college scholarships. But we consider our greatest accomplishment the part we play in our students' character and spiritual development. It is our prayer that every student who is a part of FCS experiences the love of God, the truth of His Word, and the joy of His salvation.

Finally, we are trusting God to provide the wisdom and knowledge to achieve our goals. Academically, we must not settle for mediocrity. Spiritually, we must not settle for lukewarmness. Socially, our relationships must be centered on our oneness in Christ.

We would like to invite you to visit our campus and know we will do our best to serve your family well. We hope you will come away knowing that the Lord is glorified here at FCS and that you, too, will want your family to be part of the FCS experience.

If I can be of service to you please feel free to contact me.

In His Service,
